7. **Class Awards:** In order to qualify for a **class award** a driver must participate in six events during the 2010 Autocross season. All six events need not be in a single class. A driver must participate in four events in any one class in order to qualify for an award in that class. He has exceeded the six event minimum overall requirement and he has met the four event class minimum requirement.) This paragraph is subject to the limitations of paragraph 9.
8. **Depth of Awards:** The depth of awards shall be at the discretion of the SOLO Chair. He/she shall consider the number of total participants in any class as well as the depth of competition in that class.
